ABOUT US

Company Profile

Founded in 2012 in Shenzhen, Relish is a technology-driven manufacturer specializing in premium oral care devices. We combine cutting-edge sonic technology with rigorous quality standards to deliver products that meet global medical-grade requirements.

HEADQUARTERS: SHENZHEN, CHINA

| FACTORY: HUIZHOU (20,000 SQM MANUFACTURING BASE)

OEM & ODM

TAILORED SOLUTIONS,BUILT FOR YOUR BRAND

We provide end-to-end OEM & ODM services
with full customization flexibility to bring your ideas to life
and build products that stand out in the market

01 LOGO PRINTING

Custom logo solutions to
strengthen your brand
identity.

02 APPEARANCE

Various surface finishing
and appearance options.

03 INTERNAL STRUCTURE

Advanced engineering
for superior performance.

04 FEATURES

Overvoltage alert, 3-in-1
functionality, large display...

05 COLOR

Pantone matching and
multi-color options.

06 ECO FRIENDLY PACKAGE

Eco-friendly packaging
solutions.
